SELECTMEN'S MEETING MINUTES

July 15, 2021

Chairman Paight called the meeting to order at 3:00 pm. Selectman Nelson and Selectman Pitt were present. Also in attendance were Ellen Smith, Town Administrator and DPW Director Craig Cashman.

Director Cashman gave the following update:

Paving is scheduled for September, Pleasant Street, Woodland Court, Bixby and either Ryan or Collins. He will check with Park Construction about the top coat on Granite Street.

The Woodland Court water line replacement is on track, they have 60 feet of pipe and the mini hydrant left to install. Bacteria tests will follow. This project was able to be wrapped into the larger water project funded through the State Drinking Water Ground Trust.

The DPW plan to dig out the culvert causing trouble on Laurel Street to see if there is ledge. The plan is to address the problem when time allows.

There was some discussion about work that needs to be done at Stone Pond Beach. TA Smith will reach out to NHDES to see what rules need to be followed and what permits will need to be pulled. The plan is to remove the fence and signage and replace with some other material, perhaps something similar to the granite and iron fence at the library. This will need to be investigated. TA Smith will also coordinate a meeting on site and involve recreation and conservation as well.

Director Cashman left the meeting at 3:55 pm.
