### **BOARD OF SELECTMEN**

### **PUBLIC HEARING-ADOPTION OF THE HAZARD MITIGATION PLAN UPDATE 2021 January 12, 2022**

Chairman Paight opened the public hearing at 10:00 am. Selectman Pitt was present and Selectmen Nelson joined via Zoom. Also in attendance were Ellen Smith, Town Administrator, Roland Veaudry, and Dustin Franco.

This duly-noticed public hearing is being held to receive public comment before the adoption of the Marlborough Hazard Mitigation Plan Update 2021 developed by the Hazard Mitigation Committee with the assistance of the Southwest Region Planning Commission. The Plan's update, required by the Federal Emergency Management Agency (FEMA) every five years, will enable the Town to regain eligibility for federal disaster recovery and mitigation grant funding. FEMA has conditionally approved the Plan pending adoption by the Board of Selectmen. Notice of this meeting was published in the January 3, 2022 issue of the Keene Sentinel and was posted on the bulletin boards at the Town and Post Offices. The plan has been available for viewing at the Town Office and online at [www.marlboroughnh.org](http://www.marlboroughnh.org).

TA Smith gave a brief overview of the plan and the updating process.

Chairman Paight asked if there were any comments or questions, noting none, the public hearing was closed at 10:10 am.

Respectfully submitted,

Ellen Smith, Town Administrator
