SELECTMEN'S MEETING MINUTES
October 22, 2020

Chairman Pitt reconvened the meeting at 3:00 pm that was recessed yesterday at 1:33 pm. Present outside of the Frost Free Library were Selectman Paight, Selectman Nelson, Ellen Smith, Town Administrator and DPW Director Craig Cashman.

The group was joined by Joshua Saucier, PE Senior Project Manager, DuBois & King.

TA Smith reviewed with Mr. Saucier the Partial Site Plan and the rough estimated placement of the proposed addition. The group is concerned about the underground waterway and is interested in finding out if there is anything that can be done to minimize the risk to the system when the addition is built. Mr. Cashman, Mr. Saucier and Selectman Nelson went into the tunnel to see what was there. Mr. Saucier is going to discuss this with his colleagues. Some suggested measures were discussed like pinpointing exactly how close the addition will be to the system and perhaps there is a recommended distance to minimize the possibility of damage or maybe fill or metal plates could be utilized to protect the system during construction. Mr. Saucier will get back to TA Smith with additional information.

Selectman Nelson moved and Selectman Paight seconded a motion to adjourn the meeting at 4:15 pm, vote to adjourn was unanimous.

Respectfully submitted,

Ellen Smith
Town Administrator
