# **BOARD OF SELECTMEN FOREWORD**

The Selectboard's focus during 2023 was on infrastructure. We also continued to search for sources of financial support for the Frost Free Library Addition project that would not burden the taxpayers. We are pleased to report that we have made progress on all fronts.

The waterline replacement project for McKinley Circle has come off the drawing board and, with the Town Meeting's approval, work on this project will begin in the Spring of 2024.

Improvements to the Downtown Stormwater Infrastructure are entering Phase II and will get us one step closer to the construction of a bypass that will take 2/3 of the water entering the Church Street, School Street, Frost Street, and Ling Street areas directly to the Minnewawa Brook. With Town Meeting's approval, work on this project will begin in 2024.

The Selectboard worked with the Frost Free Library 150 Committee and the Town's Building Advisory Committee to find ways to bridge the funding gap for the Frost Free Library Addition project, and the Selectboard scrutinized the project budget to find ways to cut costs. At the same time, Ellen Smith, the Town Administrator, searched for and identified the Community Development Finance Authority (CDFA) – Community Center Investment Program as a funding source. She spent many hours writing a forgivable loan proposal to CDFA for \$915,000 which would not only bridge the funding gap for the Addition but would ensure that much needed repairs and updates to the 150-year-old granite building and its 1960s addition are funded.

The Town received an \$80,000 grant to repair and improve sections of the Rail Trail that runs through Marlborough. We are grateful to Peter Switzer, Trent Boehmler, Craig Cashman as well as the Monadnock Region Rail Trail Collaborative for their work in obtaining this grant. We also received a \$47,000 Complete Streets grant for the installation of a pedestrian crossing and flashing beacon light at Route 101 and Ling Street. We finally received reimbursements from FEMA totaling \$93,000 for work that was done after the rainstorms of July 2021 to repair damage to Town infrastructure.

As many of you know, DiLuzio Ambulance ceased operating in 2023, after decades of fine service to the Town of Marlborough. The Selectboard and the Town Administrator worked closely with the Cheshire County Commissioners to negotiate an agreement with Cheshire EMS to provide ambulance service to the Town.

The fire truck that the Town Meeting approved in 2023 has been ordered and is being built.

The Police Department's efforts to fill essential positions have finally been successful. The Department was also awarded a \$14,584 grant to cover 75% of the cost of a combined message board/speed trailer.

The Town continues to be the beneficiary of the generosity of Marl-Harris for its \$23,000 donation to the Town to offset the costs of ambulance services and the Homestead Thrift Shop for its financial donations to the Police Department, DPW, and Library.

We welcomed Henry Barker as the new Library Director this year. We hope you've had the opportunity to meet him.

Finally, this Town could not operate effectively and efficiently without its volunteers. Again this year, we thank each and every one of them for their service to the Town. We are always looking for volunteers to bring new ideas and new energy to the Town. We know that everyone is busy with their own lives, but a few hours a month given in service to the Marlborough community would be a tremendous gift to the Town. To obtain information about volunteering and what positions are open, please call the Selectmen's Office.

Jane Pitt, Chairman Board of Selectmen

## **2024 TOWN WARRANT**

The inhabitants of the Town of Marlborough in the County of Cheshire in the State of New Hampshire qualified to vote in Town affairs are hereby notified that the Annual Town Meeting will be held as follows:

# First Session of Annual Meeting (Official Ballot Voting)

Date: Tuesday, March 12, 2024 Time:1:00 pm – 9:00 pm

# Second Session of Annual Meeting (Transactions of All Other Business)

Date: Tuesday, March 12, 2024 Time:7:00 pm

**Location: Marlborough School, 41 Fitch Court** 

# **Article 01 Ballot necessary Town Officers**

To choose by ballot all necessary Town Officers for the ensuing year.

# **Article 02 McKinley Circle Water Main Replacement Project**

To see if the Town will vote to raise and appropriate the sum of Five Hundred Fifty Thousand Dollars (\$550,000) (gross budget) for the McKinley Circle Water Main Replacement Project, and to authorize the issuance of not more than Five Hundred Fifty Thousand Dollars (\$550,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); to authorize the board of selectmen to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the board of selectmen to apply for. obtain, and accept federal, state, or other aid, grants and/or donations, if any, which may be available for said project and to comply with all the laws applicable to said project: and to authorize the board of selectmen to take any other action or to pass any other vote relative thereto. Recommend by the Board of Selectmen. (3/5 ballot vote required).

# Article 03 Downtown Stormwater Planning and Infrastructure – Phase II

To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty-Five Thousand Dollars (\$125,000) for the purpose of stormwater infrastructure planning, design, and construction projects, to authorize the issuance of not more than One Hundred Twenty-Five Thousand Dollars (\$125,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and, further, to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the conditions and the rate of interest thereon; and, to further authorize the board of selectmen to offset a portion of said appropriation by applying for Clean Water State Revolving Funds (CWSRF) it being understood that repayment of the loan funds may include up to 100% principal forgiveness in the amount up to \$125,000. Recommended by the Board of Selectmen. (Requires a 3/5 ballot vote)

# **Article 04 FFL Community Center Addition and Renovation Project**

To see if the Town will vote to raise and appropriate the sum of One Million Six Hundred Thousand Dollars (\$1,600,000) (gross budget) for the Frost Free Library Community Center Addition and Renovation Project, and to authorize the issuance of not more than Nine Hundred Fifteen Thousand Dollars (\$915,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); with the remaining balance to be funded by donations in the amount of Six Hundred Eighty Five Thousand Dollars (\$685,000), and, further, to authorize the board of selectmen to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; and, to further authorize the board of selectmen to offset a portion of said appropriation by applying for a Community Development Finance Authority Community Center Investment Program Principal Forgiveness Loan in the amount of Nine Hundred Fifteen Thousand Dollars

(\$915,000), it being understood that repayment of the loan funds may include up to 100% principal forgiveness in the amount up to Nine Hundred Fifteen Thousand Dollars (\$915,000); and to authorize the board of selectmen to take any other action or to pass any other vote relative thereto. If the town is not awarded the above referenced principal forgiveness loan the board of selectmen shall be under no obligation to comply with this warrant article. Recommend by the Board of Selectmen. (3/5 ballot vote required)

# **Article 05 Operating Budget**

To see if the Town will vote to raise and appropriate the sum of Two Million Nine Hundred Six Thousand Two Hundred Twenty One Dollars (\$2,906,221) for general municipal operations. This article does not include the appropriations contained in special or individual articles addressed separately. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 06 Police Cruiser Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Police Cruiser Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 07 Fire Equipment Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the Fire Equipment Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 08 Highway Equipment Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Highway Equipment Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 09 Road Maintenance Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of Twenty Five Thousand Dollars (\$25,000) to be added to the Road Maintenance Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 10 Reassessment Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Town Reassessment Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 11 Municipal Facilities Expendable Trust Fund**

To see if the Town will vote to raise and appropriate the sum of Thirty Thousand Dollars (\$30,000) to be added to the Municipal Facilities Expendable Trust Fund previously established. Recommended by the Board of Selectmen. (Majority vote required.)

# **Article 12 Monadnock Family Services**

To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred Twenty Dollars (\$2,620) for the purpose of funding Monadnock Family Services. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 13 Southwestern Community Services**

To see if the Town will vote to raise and appropriate the sum of Four Thousand Six Hundred Twenty Five Dollars (\$4,625) for the purpose of funding Southwestern Community Services. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 14 The Community Kitchen**

To see if the Town will vote to raise and appropriate the sum of Three Thousand Five Hundred Dollars (\$3,500) for the purpose of funding The Community Kitchen in the spirit of continuous memory of Delores Byron. Recommended by the Board of Selectmen. (Majority vote required)

# Article 15 Home Healthcare Hospice & Community Services

To see if the Town will vote to raise and appropriate the sum of Seven Thousand Five Hundred Dollars (\$7,500) for the purpose of funding Home Healthcare Hospice & Community Services said funds to be designated to Age in Motion and Friendly Meals for Marlborough residents with the remainder for use at the discretion of Home Healthcare Hospice & Community Services for Marlborough residents. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 16 Monadnock Center for Violence Prevention**

To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) for the purpose of funding Monadnock Center for Violence Prevention. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 17 Court Appointed Special Advocates**

To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) for the purpose of funding Court Appointed Special Advocates.

Recommended by the Board of Selectmen. (Majority vote required)

# **Article 18 Hundred Nights**

To see if the Town will vote to raise and appropriate the sum of One Thousand Two Hundred Fifty Dollars (\$1,250) for the purpose of funding Hundred Nights. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 19 Community Volunteer Transportation Company**

To see if the Town will vote to raise and appropriate the sum of Five Hundred Dollars (\$500) for the purpose of funding Community Volunteer Transportation Company. Recommended by the Board of Selectmen. (Majority vote required)

# **Article 20 Frost Free Library Addition (by petition)**

To see if the Town will vote to raise and appropriate the sum of \$295,000 to come from taxation to add to the approximately \$840,000 previously raised by private donation to build a Community Meeting Space at the Frost Free Library. This new meeting space is currently planned to include handicapped accessibility, new bathrooms, new kitchenette, expanded children's section and offer after hours access to residents, civic or private clubs and other organizations. This article is non-lapsing per RSA 32:7, VI and will lapse either when the project is completed or December 31, 2029. This article serves as insurance should the Town not win its pending State funding application. Should the Town win its forgivable loan application, these tax funds will not be necessary and shall not be collected from taxpayers. This article was submitted by petition. Not recommended by the Board of Selectmen. (Majority vote required).

# **Article 21 Bell Tower Park (by petition)**

To see if the Town will vote to raise and appropriate the sum of Fifty Five Thousand Dollars (\$55,000) toward a project with a total cost of One Hundred Fifty Thousand Dollars (\$150,000), to enhance safety along a section of the Minnewawa Brook riverbank in Marlborough's Bell Tower Park, provide Americans with Disabilities Act (ADA) compliant recreational access, enhance the town's visual appeal, and foster a sense of community. Appropriation of this warrant article is contingent on (1) receipt of a grant from the Land and Water Conservation Fund (LWCF) for fifty percent of the total project cost, Seventy Five Thousand Dollars (\$75,000), and (2) receipt of private contributions in the amount of Twenty Thousand Dollars (\$20,000). This article was submitted by petition. Not recommended by the Board of Selectmen. (Majority vote required).

# **Article 22 To Hear Reports**

To hear reports of Town Agents, Auditors, and Committees.

## **Article 23 To Transact Other Business**

To transact any other business that may legally come before this meeting, or take any action thereon.

# HOLIDAY SCHEDULE APRIL 2024 – MARCH 2025

# Hours Open to the Public

Monday 10 am- 6 pm, Tuesday & Thursday 10 am - 4 pm, Wednesday 7 am - 12 pm and Friday - CLOSED

# **One Check Processing**

We have transitioned over to a one-check process for all Motor Vehicle Registrations. Now only one check, made to the Town of Marlborough, is needed rather than two.

# Online Motor Vehicle and Dog Licensing Renewals

You can renew your motor vehicle registrations and dog licenses online by visiting www.eb2.gov.com. You will need information found on your current motor vehicle registration or dog license to complete the process.

You will find links that will bring you to the eb2 web-site on the Town's website at www.marlboroughnh.org, Town Clerks page, bottom left hand corner. You can obtain a quote for motor vehicle renewals at www.eb2.gov.com.

If you have any questions about the process please contact Kathy or Michelle at 603-876-4529 or townclerk@marlboroughnh.org for answers to your questions

# REPORT OF THE DEPARTMENT OF PUBLIC WORKS

It was another busy year for us at the Highway Dept. We took delivery of our newest dump/plow truck a 2024 International

HV507 this past July 2023. We did our scheduled paving which consisted of resurfacing the Town Office parking lot, and adding more parking for the Police Dept., Old Trestle Road got a complete reclaim and repaved, Forrest Drive and Sawyer Lane got a shim and overlay. We purchased a new steamer/pressure washer with a generous donation from the Homestead Thrift Shop and we greatly appreciate their generous donation. With that added piece of equipment, we will be able to steam frozen culverts and sewer lines. Along with our routine maintenance on our town roads, we also had more tree work done, most of it was caused by the wind and rainstorms. Some of our gravel roads were impacted by the heavy amounts of rain. I would like to thank my employees for their hard work and dedication to the town and I would also like to thank the Board of Selectman and Town Administrator for their continued support.

Respectfully Submitted, Craig Cashman, Director of Public Works

# **REPORT OF THE ENERGY COMMITTEE**

The Energy Committee spent most of its time this year on the new Community Power program. The program launched in June, switching all Eversource customers over to Marlborough Community Power for their electricity supply unless they opted out. People who already had a different supplier were advised they would have to opt in to the new program if they wanted to switch. A new website was established: marlboroughcommunitypower.com, which has information about the four options within the program and also has contact information to call or email Direct Energy (our new supplier) with questions.

The Energy Committee updated our town website page. We also did a walk-through energy audit for the town hall basement and advised the selectmen of our recommendations. These issues are now being addressed to make the basement drier and more airtight.

We heard information about a new community solar project being planned in the county but have declined to participate at this time.

Finally, the committee is starting to disseminate information about new energy grants and rebate opportunities through the Inflation Reduction Act (IRA) of 2023. Thanks to Jerry Burns and the Monadnock Sustainability Hub, the first article appeared in the January 2024 issue of the Marlborough Bulletin. We plan to expand on this in the coming year.

Finally, the committee is starting a new program called "Neighbors Warming Neighbors", to help homeowners with energy efficiency improvements. People who are interested should contact Marge Shepardson at 603-876-4027. A volunteer will contact you about doing a preliminary pre-audit inspection, then help you connect with existing resources through NH Saves to do an official audit followed by energy efficiency work, if you choose. Funding is available to help with these projects.

Marge Shepardson, Chair; Trent Boehmler, Jerry Burns, Ira Gavrin, Ted Mead, Chana Robbins.

# REPORT OF THE FIRE WARDS

The Marlborough Fire Department responded to 185 calls during 2023. This compares to 206 calls in 2022. A breakdown of the 2023 calls is as follows:

Type of Call	Number	Type of Call	Number
Non Structure Fires	9	Medical Calls	90
Vehicle Accidents	14	Mutual Aid	8
Other Calls	26	Hazardous Condition	38

In 2023, the town approved the purchase of a 3,000 gal. pumper/tanker built on a commercial chassis. This vehicle will double the amount of water we will have available on the initial response of our units. The current timeline shows an expected delivery date of April 2025.

We are in need of upgrading both our SCBA's (self-contained breathing apparatus), and individual PPE (personal protective gear). We will be submitting grant requests for both of these needs, as well as looking for other sources of support.

MFD members completed various trainings throughout the year, including training on electric vehicle and lithium-ion battery fires, and various medical and firefighting certifications.

The following are the current officers of the department:

Chief: John Manning
Deputy Chief: Matt Patnode
Captain: Will Coutts
Rescue Captain: Robert Diluzio
1st Lieutenant: Michael Goodwin
2nd Lieutenant: Robert Thomas
Rescue Lieutenant: Phylis Manning

We currently have 21 dedicated members. We welcome any resident who is interested in joining or has any questions, to contact a current member for details. We provide all of the required equipment and training.

We again extend our sincere appreciation to the Fire Company, Marl-Harris Emergency Services, Marlborough Police and Highway Departments, Marlborough Select Board and office staff, and the community at large for their continued support and cooperation.

The Marlborough Fire Wards

John Manning Robert Thomas Matt Patnode Will Coutts Mike Goodwin

# REPORT OF THE FROST FREE LIBRARY

4,561 library visits
8,216 physical items checked out
2,891 digital items checked out
136 programs with 751 attendees
911 users with cards (266 checked something out in 2023)
769 items sent to other libraries via ILL and 318 received
13,886 physical items in the collection
85,608 digital items available (shared between libraries in NH)
1,133 items added (168 donated), 798 deleted, and 42 lost

## Trustee Treasurer's Balance:

- Checking: \$17,468.55 (book replacements, non-resident fees, copier kitty)
- Savings: \$14,633.24 (Patron Gifts & Donations)
- RSF III Memorial CD: \$10,000
- Mary Lodge Fund: \$138,246.24
- We also received \$1000 worth of children's books from the Children's Literacy Foundation's Year of the Book grant!

# **Programs**

In the last few years, events and activities have become a core service at public libraries. With this in mind, we added many new fun and educational programs for adults in 2023. On the first Wednesday of the month, we host an acoustic jam for musicians of all skill levels. On the second Wednesday, we host a cookbook club where we share recipes and samples and learn about culinary cultures around the world. We've also started hosting presentations and talks on Tuesday evenings throughout the year. Long-running programs like our book club, knitters' group, and Thursday night game night continue. Check out our calendar and newly updated website homepage to find out about upcoming events!

We did not have a summer reading program this year due to staff changes, but we are looking forward to resuming summer events in 2024. We are currently hiring a Children's Programming Assistant who will be working to add many more children's programs to the library's offerings in 2024.

## Services

The library continues to offer a diverse array of services. Several of our most checked-out items in 2023 were from our library of things – items ranging from kids toys and games to our OWL camera for hybrid meetings. We continue to help people with research and technology questions and to provide public Wi-Fi and access to desktop computers free of charge. Our Friends also added a brand-new bookstore to the library entryway, with an impressive selection of heavily discounted used books for sale.

## **Facilities**

We are hopeful that the planned library addition and renovation project will soon be underway. Meanwhile, we continue to reorganize and update our space to keep it inviting and suitable for play, events, gatherings, individual work, arts and crafts, and more.

## Staff and Stakeholders

We have had several staff changes this year at the library. Kristen Readel left her position as director in May after six years of service, Nicki Demarest retired and transitioned to a substitute role after nine years as Library Assistant and Rhiannon Lee left her position as Programming Assistant after two years of service. We will miss all of their contributions to the community. Merri Rayno filled in during the search for a new director, her flexibility and quick learning allowed the library to maintain hours and services during the transition. She has continued substituting on Saturdays.

Jane Richards Jones continues organizing our long-running book group and co-curating our DVD and adult book collections (drop in on Wednesdays or Thursdays if you need a recommendation!). Jaiden Blanchard continues as the voice behind the library's social media, the curator of our YA collection, and the leader of bimonthly game nights, among countless other contributions. I, Henry Barker, started here as the library director at the end of

August 2023.

The Friends of Frost Free Library had an active year. They organized the annual summer concert series, continued Wednesday afternoon teas, held bake sales and other fundraisers, supported NH Humanities programs at the library, and started collaborating with Friends groups at other libraries, among many other activities.

All of us at the library are looking forward to another year serving the community's educational, cultural, and entertainment needs.

Respectfully submitted,

Henry Barker, Library Director

# REPORT OF THE HERITAGE COMMISSION

Our Mission: The Heritage Commission is dedicated to preserving and protecting those features of our community which are significant resources relative to our historic, cultural and aesthetic qualities; and to promoting the recognition and use of these resources for the benefit of present and future generations.

On behalf of the Heritage Commission and the Town of Marlborough, we want to express our gratitude for Dick Butler's many years of unwavering dedication to fulfilling the mission of the Heritage Commission. His passion, guidance, and insight will be truly missed.

# Projects completed in 2023

At the Meeting House & Town Pound Site: The property was mowed as regular maintenance of the site.

The stone walls around the perimeter of the site were tended to by resetting dislodged stones.

Undesirable brush and deadwood was cut and removed from the site.

## Plans for 2024

The entrance to the Meeting House Cemetery: Install a plaque with the names of about 40 Revolutionary War "Patriots" who are buried in this cemetery, the town's original graveyard. This is being planned as a joint project of the H.C, the Cemetery Trustees and the Historical Society.

The Meeting House Site: Refresh the entry walkway with fresh gravel. Plant at least one new tree to replace one that was damaged last year. Maintain the view of Mount Monadnock.

<u>The Gates House:</u> Find an appropriate location for the two granite chairs and Granite slab that are now at the Gates house site.

<u>The Bell Tower:</u> Apply preservative to the benches and exposed woodwork to resist weathering.

The Heritage Commission is looking for members. If you are interested in taking part in fulfilling the mission of the Heritage Commission please contact me or the Selectmen.

Respectfully submitted, Ted Mead, Chair

# REPORT OF THE LAND USE BOARDS

2023 was a difficult and sad year for the land use boards. The sudden passing of our new clerk, Heidi Farwell, halfway through the year, in addition to being a tragic and traumatic loss for all of us who knew and worked with her, was certainly disruptive to the normal flow of meetings and paperwork. Speaking personally, I knew Heidi for over thirty years. She was the best, most reliable, daycare provider for my kids that we ever had. I knew her work ethic and her steady, dependable composure handling of whatever came her way. I was thrilled when she accepted the clerk position and distraught with her passing. Marlborough has lost a very good, contributing person who made the town a better place to live.

The board heard a handful of routine boundary line adjustments, subdivisions and site plan reviews with only a couple of zoning board applications for a variance or special exception.

The planning board is required to meet monthly. The meeting dates and times are posted at the town offices and the post office. Applications coming before the board are, in addition, also posted in the Keene Sentinel. The zoning board only meets when there is a specific application.

The land use boards are responsible for balancing the land use rights of individuals with the public good.

Casper Bemis, Chair, PB Gene McDonald, Chair, ZBA

# REPORT OF MARL-HARRIS EMERGENCY SERVICES, INC

Dear friends and neighbors,

Marl-Harris Emergency Services financially supports the availability and delivery of emergency services in our town. We do this by:

- Reducing the burden to Marlborough taxpayers for the cost of Ambulance Service each year.
- Providing financial support to Marlborough Fire & Rescue, to help trained responders provide early emergency intervention and assist arriving ambulance personnel in assessment & treatment.
- Helping individual Marlborough residents who are having difficulty paying their ambulance bills.
- Funding other costs associated with First Response Services as they arise.

We thank Cheshire County EMS for providing high quality, professional, emergency care in a most timely manner since this past July.

And, last, but not least, our gratitude goes out to Marlborough Fire & Police Department personnel for their invaluable assistance in medical emergencies in town. Kudos to you!

Keep up the great work everyone! And, take care out there people... stay safe & well!

Phylis Manning, Chairman, on behalf of the Board of Directors:

Sue Bemis (Treasurer)

Elaina Waibel

Joe Puleo

# REPORT OF THE MONADNOCK ADVISORY COMMISSION

The Monadnock Advisory Commission was created by State statute (RSA 227-D:4) and is charged to advise and guide the Department of Natural and Cultural Resources on the managed lands on Monadnock, Gap and Little Monadnock mountains. State law allows the Commission to accept tax deductible donations. MAC funds are used primarily as a source for search and rescue supplies and equipment.

Members of the Commission include two representatives from each of the towns these mountains are part of, the director of the Division of Parks and Recreation, the director of the Division of Forests and Lands, and the president of the Forest Society (Society for the Protection of New Hampshire Forests). Other guests include the Monadnock State Park manager and assistant manager, the commissioner of the Department of Natural and Cultural Resources, Antioch University MERE (Monadnock Ecological Research and Education) Project, Forest Society recreation manager, and the Parks and Recreation South Region Supervisor.

The Commission met twice in 2023 at the East Hill Farm in Troy. Trail usage of the Park and trails that access the summit has decreased slightly from the last few years, perhaps partly due to a lot of rainy weather early in the season. Camping usage continues to increase, though. As in the recent past, open positions have been hard to fill, so there have been increased

efforts made to fill those positions. Due to staff shortage, plans for requiring reservations and fees at some of the more remote trailheads have had to be modified or delayed. The reservation system in place at the Park and primary trailheads continues to function well, and is still being considered for the other access points. Income from iron rangers at remote trailheads has been about the same.

Monadnock Trails Week was a great success. Many hours were spent constructing steps and improving trails. The total number of rescues was up from last year, probably due to an increase in reporting of incidents, but staff hours spent on rescues decreased due to the nature of assistance needed. Timber harvesting planning and execution continues on several sites on lands surrounding these mountains, including harvest of mature ash in order to ensure better health of young growth with regards to the infestation of the ash borer. Project MERE continues their research and efforts to protect fragile areas on the mountain.

Parking and other issues around the Pumpelly Trailhead continue to be of concern, and there are new initiatives to clarify and validate trail easements on the first mile of the present trail.

The members of the Monadnock Advisory Commission encourage input from the citizens of our towns regarding anything to do with the care of the mountains we are charged with helping to maintain. Please contact your representatives listed below.

Dan Rogalski and Terry Maugeri

# REPORT OF THE POLICE DEPARTMENT

We end the year fully staffed with three full-time officers, one part-time officer, and a part-time administrative assistant. Given the current employment market and ongoing difficulty in police recruiting and retention nationwide, this is no small feat for a small town. In October, we welcomed Steven Maurice as our newest full-time officer to fill a position that had been vacant for ten months. Officer Maurice is currently attending the sixteen-

week law enforcement academy in Concord and will continue his field training when he returns in late spring. For the past several years, we have been searching for a certified part-time officer to help bolster our department's coverage capabilities and rely less on the NH State Police to fill in during scheduling gaps. Peter Bowers, a retired law enforcement officer with over two decades of experience in Cheshire County, was brought aboard in December as our part-time officer and will be a great addition to our team.

We continued to seek professional development with varied training throughout the year, which also serves to meet our mandated in-service training requirements with the state. The State of New Hampshire plans to triple the number of mandatory in-service training hours required of each officer by the year 2025. Additionally, each officer is required to complete annual training in use of force, firearms range qualification, TASER, Intoxilyzer, Post-Traumatic Stress, De-Escalation, Ethics, and Implicit Bias. Any officer holding an instructor-level certification is required to participate in additional recertifications at various intervals. Many of you may not be aware that New Hampshire police officers are also required to pass a physical fitness test every three years throughout their careers. Interestingly, our state is the only one in the nation that has an ongoing physical fitness requirement for police.

Officer Stephen Nickerson is now the department's TASER and OC Spray instructor after attending courses in September. He continues to expand his qualifications to better serve the department and our community. He has been a loyal and valued member of our department since 2019 and I would like to publicly recognize him for his contributions.

As with the past few years, I have been taking advantage of available grant opportunities to help offset police department operating costs. We have been awarded \$6,600 in extra patrol grants from the NH Office of Highway Safety to focus on DWI and speed enforcement, underage seatbelt violations, and mobile electronic device use. This grant allows for additional high-

visibility patrols in our community at a minimal cost to the taxpayers.

In January, we applied for and were awarded vests containing rifle-rated armor to be carried in each cruiser. These vests were donated by the US Deputy Sheriff's Association and provide additional protection for our officers in the event of an active shooter situation or other tactical deployment.

The biggest grant news for last year is our \$14,584 award from the NH Department of Safety which paid 75% of the cost to purchase a combined message board/speed trailer which will be used for public safety messaging and speed reduction. This solar-powered trailer has already proven popular with residents hoping to curb speeding in their neighborhoods. Please reach out to the department if you would like the trailer to be deployed in your area. The trailer is highly customizable and features driver feedback and blue flashing strobes as well as data collection capabilities. The town's emergency management can also utilize this equipment for messaging relating to the response to natural disasters or other events such as the historic snowstorm of March 14th. In that case, nearly 40 inches of heavy wet snow led to widespread power outages and road closures. Our highway crews worked hard to keep up but the snowfall rates and fallen trees with power lines blocking roads made for a tough task. Many residents lost power and were stuck digging out for days but there were no major injuries reported.

Speaking of natural disasters, it seems appropriate to make note of Marlborough's first confirmed tornado in many years which occurred during a thunderstorm on July 27th. The EF-1 tornado caused considerable damage on its 13-mile journey from North Swanzey to Dublin. Fortunately, we saw no injuries and only localized damage to trees and vehicles along NH Route 101 near Marlborough Auto Sales. The National Weather Service was on top of things and had broadcast a tornado warning for our area in advance of the storm. With the help of the fire department and NH DOT, the tree debris was cleared from NH Route 101 and the roadway was fully open within an hour.

Department members once again participated in the "Beards for Bucks" fundraiser in October, which raised money and awareness for the NH Child Advocacy Centers. We have been sporting whiskers for this important cause every fall since 2016.

We continue to see preventable motor vehicle collisions attributed to aggressive, inattentive, and/or distracted drivers. Please drive defensively and remember to stay off your cell phone unless it is used "hands-free" or during an emergency as outlined in NH state law (NH RSA 265:79-c).

As always, we are thankful for the many invaluable partnerships that help us succeed in our mission. The Marlborough Board of Selectmen and Town Administrator, Marlborough Fire/Rescue, Marlborough DPW, NH DOT, Cheshire County EMS, Cheshire County Sheriff's Office, NH State Police Troop C, and surrounding police departments are just a few of many organizations that we thank for their ongoing assistance. Our success is derived from the professional working relationships that we have built and maintained in pursuit of a common goal: bettering our community.

Sincerely, Chief Zachary D. Byam

### **Our Mission Statement:**

The Marlborough Police Department strives to improve the quality of life in our community by fair and impartial enforcement of the law, diligent protection of both people and their property, and responsive problem-solving in partnership with the citizens of our town.

### **Criminal Investigations** REPORT OF THE RECREATION COMMITTEE Arson 1 **Animal Cruelty** 1 We are excited to announce as a committee we saw steady and increasing participation in our youth sports during the fall of 2023. Arrest on a Warrant 17 So much of this would not be possible without the fantastic 2 Assault **Breach of Bail Conditions/Contempt** volunteers who commit to working with the youth of our town developing skills in each sport. Both basketball and soccer Burglary **Criminal Mischief** continue to gain popularity but also seasons have been extended 1 to allow for additional development. Criminal Threatening Disobeying an Officer 2 Dog Control Law 4 This past fall, the Dublin School soccer director and some of the **Domestic Violence** high school athletes from the school came down one Saturday **Drug Offenses** 16 morning to provide our town kids with a soccer clinic. The soccer Failure to Register (Sex Offender) director Baran Doenmez played for Dublin School, Clark 1 False Fire Alarm University but also in Switzerland looks to assist our youth soccer program in 2024 by adding additional soccer clinics but also intra-False Report to Law Enforcement town competition for the 3rd-4th graders. Felon in Possession of Firearm/Weapon Obstructing Gov. Administration Stone Pond continues to see steady use in the summer. The Protective Custody **Reckless Conduct** town pavilion gets used 6-8 times during the course of the 1 summer and into the fall months mostly by non-profit 4 Resisting Arrest 5 organizations but we did see a few requests for birthday or Sexual Assault Theft/Fraudulent use of Credit Card 5 graduation parties also. 2 Theft-Identity 2 The recreation committee also continues to receive charitable Trespassing Unlawful Possession of Alcohol 5 financial gifts from several local businesses in town that will aid in Violation of a Protective Order 2 future capital improvements and other needed equipment for both sports and maintenance. We recognize each of these donors with a banner placed on the outfield fence at the large **Motor Vehicle** baseball/soccer field but also on t-shirts during soccer and **Parking Tickets** 3 Citations 296 basketball. Warnings 622 Accidents (Reportable) During the spring of 2023, we had several of the large eastern 21 Accidents (Total) white pine trees removed from the side of the baseball field that 44 **Driving While Intoxicated** also borders the school playground. Due to the safety hazard of 5 Habitual Offender falling limbs, the town was fortunate to have all of the trees **Operating After Suspension** 23 removed with work donated by Wilcox Tree Service at no cost to Operating without a Valid License 3 the town. **Reckless Operation**

Finally, the Town of Marlborough has received a grant to help make improvements to the Marlborough section of the Cheshire Rail Trail South (the old Boston & Maine RR line) and work will start the summer of 2024.

Respectively,

Peter Switzer- Chairman
Jeff Castor- Baseball, Softball and Soccer Fields
Ham Richardson
Josie Christy
Alissa Delaney
Leeanne Coutts

### REPORT OF THE RECYCLING TRANSFER STATION (RTC)

The last twelve (2023) calendar months were busy. Site transitions are afoot.

The town requested and was granted, a new more up to date permit identification. We are now known as a 'Permit-by-Notification' site by the Department of Environmental Services (DES) – Permit #DES-SW-PN-23-011. Thanks also go to town resident Kris Arnold for his signage upgrades assistance; he is a true master craftsman at his art. As can be seen, we are now registered as a 'Transfer Station/Recycling Facility.'

The town contracted David Mann – surveyor and met with David Bergeron – 'regarding a site plan for the RTC to begin planning for a restructured site to make the facility more self-serve.' (Selectmen's Meeting Minutes – 11/8/23). For further information on this topic, subscribe to e-alerts through our website.

As a recycling and transfer facility, those Marlborough and Roxbury residents who choose, are still able to recycle their corrugated cardboard (excluding shiny, wet strength boxboard), mixed paper, newsprint, assorted plastics (including Lion's Club soft plastics), glass, aluminum & steel cans, metals, electronics (including fluorescent and other bulbs), tires, propane tanks and

slightly used clean clothing.

We are a member of the Northeast Resource Recovery Association (NRRA).

Our 'brush to burn pile' is still active (ask for what is allowed by DES regulations).

In 2023 we transferred/shipped a total of 492-ton (338-ton of compactor waste, 154-ton of construction, demolition, and assorted materials). In perspective:

In 2020 (as the pandemic accelerated) we shipped a total of 621-ton: (458-ton compactor & 163-ton c&d, etc.,)

In 2021 (as the pandemic leveled and ebbed) we shipped a total of 573-ton: (411- ton compactor, 162-ton c&d, etc.)

In 2022 (still in pandemic – on the down side) we shipped a total of 510-ton: (362-ton compactor, 148-ton c&d, etc.,).

Although we are gradually decreasing our total waste output, the key factor is the hauling costs per ton. These numbers are the most difficult to predict. Many fluctuate as our town population changes, coupled with the verities around the planet. Monadnock Disposal Service(s) has remained our vendor over the long run. We are in the final year (2024) of a two-year continually renewed transport contract. The BOS will be reviewing the numbers in the upcoming months.

Our Share Shed remains active.

Finally, on the staffing front – we were glad to welcome a new member. Daniel Epps joined us. Dan, a town resident, brings a wealth of knowledge that complements our total processes. Craig Cashman, of the Department of Public Works, is also in the fold. Both attended the 'Basic Operator' class in Concord and are now certified by the DES.

To close, any resident wishing additional in-house data – please visit or contact us. We welcome your comments.

With Respect,

David W. Aiken, RTC Manager

### REPORT OF THE TRUSTEES OF THE TRUST FUNDS

The attached MS-9 forms list all of the funds at tax basis values for all of the assets overseen by the Marlborough Trustees of the Trust Funds. In addition, the attached MS-10 form shows the investment portfolio and results for the Capital Reserve, Common and Cemetery Trust Funds.

As of December 31, 2023, the total market value of all of the Funds (Common Trust, Cemetery Trust, Capital Reserve and Expendable Funds) was \$4,600,936. The major contributors to the change from the December 31, 2022 balances were additions of \$641,600, withdrawals of \$120,300, income of \$104,725 and investment gains/(losses) of \$377,936.

Our Capital Reserve Funds had contributions during the year of \$598,000, withdrawals of \$33,757, income of \$21,310, investment gains/(losses) of \$10,599 and ending market value of \$1,225,385.

Our Expendable Funds had contributions during the year of \$30,000, withdrawals of \$32,690, income of \$8,563.38, investment gains/(losses) of \$5,003 and ending market value of \$282,841.

Our Common and Cemetery Funds had deposits during the year of \$13,600, withdrawals of \$53,853, income of \$74,852, investment gains/(losses) of \$362,332 and ending market value of \$3,092,709.

Our Capital Reserve Funds are invested in fixed income and short term cash. Investment returns were in line with comparable indices.

Our Common and Cemetery Funds are invested 54% in the equity markets and 46% in fixed income and short term cash. The total fund returned 16.25%. Investment returns were slightly better than comparable indices.

Respectfully submitted, Katherine Fuller and Michael Keating

### Minutes of the Town Meeting March 14, 2023 (postponed until March 28, 2023)

On Tuesday, March 28, 2023 at 12:57 PM Moderator Briggs presented the empty ballot boxes to Assistant Moderator David Fairfield prior to locking.

At 1:00 pm Town Moderator and School District Moderator Michael Briggs called the First Session of the Annual Meeting, Official Ballot Voting, to order and announced that we would be operating under Warrant Article 01, Ballot necessary Town Officers and the casting of ballots for the election of School District Officials.

### **Article 01:** Ballot necessary Town Officers

### To choose by ballot all necessary Town Officers for the ensuing year.

Moderator Briggs announced that the polls would remain open until 9:00 PM and that the Town's business meeting would begin at 7:00 PM this evening.

The casting of ballots ensued.

At 7:00 pm Town Moderator Briggs called the business meeting to order and led those present in The Pledge of Allegiance.

Moderator Briggs announced that Warrant Article 01, Ballot necessary Town Officers, has been being acted upon since 1:00 PM and would continue until 9:00 PM.

Moderator Briggs introduced himself to all those present and thanked all for attending.

Moderator Briggs sought permission from those present at this evening's meeting for Non-Resident, non-registered voters present to speak, should their input be needed. Permission to speak was granted, by a voice vote in the affirmative, for Town Administrator Ellen Smith and Chief of Police Zachary Byam.

Moderator Briggs read the rules for this evening's meeting prior to moving on to the remaining Warrant Articles and asked for everyone to follow a rule of order, using common courtesy, no personal attacks, etc.

Moderator Briggs announced that the meeting was being recorded and asked that everyone use the microphones, state their names and speak clearly while speaking.

Moderator Briggs thanked all the volunteers who had helped with the polls that day and gave his condolences to those who would be helping, unbeknownst to them, at the end of the evening ©

Moderator Briggs asked the officials at the head table to introduce themselves. Ellen Smith, Town Administrator, Gina Paight, Selectman, Jane Pitt, Selectman, Earl Nelson, Selectmen and Kathy Chamberlain Town Clerk made those introductions.

### **Article 02: Fire Truck Bond**

To see if the Town will vote to raise and appropriate the sum of Five Hundred Fifty Thousand Dollars (\$550,000) (gross budget) for the purchase of a fire truck, and to authorize the issuance of not more than Four Hundred Thousand Dollars (\$400,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); with the remaining balance to be funded

as follows: (i) the withdrawal of Seventy Five Thousand **Dollars (\$75,000) from the Fire Equipment Capital** Reserve Fund, (ii) the withdrawal of up to Sixty Six Thousand Dollars (\$66,000) in interest income from the following funds: (a) Delevan C. Richardson Fire Department Fund (\$3,000); (b) Marlborough Grange Trust Fund (\$300); (c) Mary C. Lodge Fire Department Fund (\$10,000); (d) Leroy P. Derby Fire Department Trust Fund (\$1.500); € Omer Dumont Fire Department Trust Fund (\$31,500); and (f) Farnum Memorial Fund (\$19,700) and (iii) donations in the amount of up to Nine Thousand Dollars (\$9,000); to authorize the Board of Selectmen to issue, negotiate, sell and deliver such bonds or notes and to determine the rate of interest thereon and the maturity and other terms thereof; to authorize the Board of Selectmen to apply for, obtain, and accept federal, state, or other aid, grants and/or donations, if any, which may be available for said project and to comply with all the laws applicable to said project; and to authorize the Board of Selectmen to take any other action or to pass any other vote relative thereto. Recommend by the Board of Selectmen (3/5 ballot vote required).

Moved: Earl Nelson Seconded: Jane Pitt

Selectman Nelson deferred to John Manning (Fire Chief) to speak to the article.

Chief Manning explained that a number of years had been spent looking into replacing the '89 pumper that had been built prior to some important current safety standards. He explained that they had applied for grants for the past 3 years with no success. Chief Manning described the different types of trucks and why he felt it was necessary to purchase the proposed tanker/pumper combo. The existing truck carries 1000 gallons of water with a 1250 gallon pump

whereas the new, proposed truck could carry up to 3000 gallons of water. With two trucks that carry water we could prevent a lapse in water on a fire waiting for mutual aid or a refill (referenced last years Laurel St Fire as an example).

Finding no questions from the floor Moderator Briggs moved for a ballot vote again reading the article.

Moderator Briggs stated that the box would remain open for one hour and stated to the Voters that we would be casting YES/NO Question A and directed them to circle either YES or NO and proceed to the ballot box to cast their vote.

@ 7:21 pm the ballot box was opened and The Town Clerk, Kathy Chamberlain, set a timer for 1 hour.

### **Article 03: Operating Budget**

To see if the Town will vote to raise and appropriate the sum of Two Million Five Hundred Seventy-Eight Thousand Nine Hundred Sixty-Three Dollars (\$2,578,963) for general municipal operations. This article does not include the appropriations contained in special or individual articles addressed separately. Recommended by the Board of Selectmen. (Majority vote required).

Moved: Gina Paight Seconded: Jane Pitt

Selectman Paight deferred to Ellen Smith (Town Administrator) to speak to the article.

Ellen Smith, Town Administrator, presented the budget and highlighted several increases/decreases, including a Health Insurance increase of 11.7%, a Dental Insurance increase of 1.5%, a decrease in NH retirement rates and an increase in diesel gas/heating oil prices. She also highlighted a

decrease in the Town Clerk/Election budget as 2022 included an overlap with the new Town Clerk/Tax Collector in training and that the Police Department wage scale was adjusted to keep competitive.

Town Administrator Smith pointed out that the Highway Department budget was impacted by two major changes: (1) Asphault and the increase of materials due to higher oil prices. In the last several years we have put approx. \$100,000 towards paving and that kept us current with our road plan. Starting last year the cost of asphault increased by \$28,000 to \$128,000. (2) Making the part-time, on-call position a permanent 20hr per week position. This will allow for some facility maintenance in house rather than hiring it out for higher costs and create more safety as it will allow for 2 teams of 2 on projects.

Town Administrator Smith asked if there were any questions.

Jeff Miller – Stone Pond Rd, a member of the Advisory Budget Committee, stated that the committee had made some very specific recommendations regarding the wage pool and requested feedback as to how those recommendations were incorporated into how the budget was proposed. Town Administrator Smith responded that no decision had been made as to how much would be given to each employee and assured him that the board did take their recommendations but no adjustment had been made to the budget line.

Jeff, as a long serving member of the Advisory Budget Committee, also wanted to compliment Town Administrator Smith on the efforts she has made to professionalize this process and the communications involved. Moderator Briggs asked if there were any other questions from the floor. Finding no further questions, Moderator Briggs read article 03 and moved Article 03 to a voice vote.

Article 03 passed on a voice vote in the affirmative.

### **Article 04: Police Cruiser Capital Reserve**

To see if the Town will vote to raise and appropriate the sum of Twenty-Five Thousand Dollars (\$25,000) to be added to the Police Cruiser Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Earl Nelson Seconded: Gina Paight

Earl Nelson spoke to the article.

Selectman Nelson stated that the line item had increased by \$10,000. This increase is in an effort to get out of leasing vehicles and move to purchasing vehicles outright as needed.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 04 and moved Article 04 to a voice vote.

Article 04 passed on a voice vote in the affirmative.

### **Article 05: Fire Equipment Capital Reserve**

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Fire Equipment Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Earl Nelson Seconded: Jane Pitt

Selectman Nelson deferred to John Manning (Fire Chief) to speak to the article.

Chief Manning stated that this money is used to be able to purchase upgraded equipment, PPE (personal protection equipment) as needed. Currently PPE is approx. \$5000 per each firefighter.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 05 and moved Article 05 to a voice vote.

Article 05 passed on a voice vote in the affirmative.

### **Article 06: Highway Equipment Capital Reserve**

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars (\$20,000) to be added to the Highway Equipment Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Jane Pitt Seconded: Gina Paight

Selectman Pitt spoke to the article.

Selectman Pitt explained that this fund is used to replace any town highway equipment as needed. The current balance in this fund is approx. \$32,000.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 06 and moved Article 06 to a voice vote.

Article 06 passed on a voice vote in the affirmative.

### **Article 07: Road Maintenance Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of Ten Thousand Dollars (\$10,000) to be added to the Road Maintenance Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Earl Nelson Seconded: Jane Pitt

Earl Nelson spoke to the article.

Selectman Nelson stated that this is another fund we add to yearly. This fund is used to match funds for grants, etc. for any major road issues.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 07 and moved Article 07 to a voice vote.

Article 07 passed on a voice vote in the affirmative.

### **Article 08: Reassessment Capital Reserve Fund**

To see if the Town will vote to raise and appropriate the sum of Eight Thousand Dollars (\$8,000) to be added to the Town Reassessment Capital Reserve Fund previously established. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Jane Pitt Seconded: Earl Nelson

Selectman Pitt spoke to the article.

Selectman Pitt stated that this is a yearly article to fund the reassessment program. Reassessment is required by law every 5yrs by the State of NH. The next eval is 2026. We currently have approx. \$9,000 in this fund and this will help us be able to fully fund the 2026 reassessment.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 08 and moved Article 08 to a voice vote.

Article 08 Passed on a voice vote in the affirmative.

### **Article 09: Municipal Facilities Expendable Trust Fund**

To see if the Town will vote to raise and appropriate the sum of Twenty Thousand Dollars \$20,000 to be added to the Municipal Facilities Expendable Trust Fund previously established. Recommended by the Board of Selectmen. (Majority vote required.)

Moved: Gina Paight Seconded: Jane Pitt

Selectman Paight spoke to the article.

Selectman Paight stated that the fund was started last year to have money on hand for any unexpected facilities expenses (furnaces, etc.). This fund balance is currently \$30,000.

Moderator Briggs asked if there were any questions from the floor.

Ada Kerman – Troy Rd - asked what the difference was between a capital reserve fund and an expendable trust fund.

Selectman Paight stated that the Capital Reserve fund didn't fit the criteria for this line quite right. Town Administrator Smith stated that an Expendable Trust Fund was a fund that was funded by the town meeting and expended by the board acting as the agents to expend.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 09 and moved Article 09 to a voice vote.

Article 09 Passed on a voice vote in the affirmative.

### **Article 10: Stormwater Infrastructure Engineering**

To see if the Town will vote to raise and appropriate the sum of One Hundred Thousand Dollars (\$100,000) for the purpose of stormwater infrastructure planning, design, and construction projects, to authorize the issuance of not more than One Hundred Thousand Dollars (\$100,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA 33); and, further, to authorize the Selectmen to issue and negotiate such bonds or notes and to determine the conditions and the rate of interest thereon; and, to further authorize the Selectmen to offset a portion of said appropriation by applying for Clean Water State Revolving Funds (CWSRF) it being understood that repayment of the loan funds may include up to 100% principal forgiveness in the amount up to \$100,000. Recommended by the Board of Selectmen. (Requires a 3/5 ballot vote)

Moved: Gina Paight Seconded: Jane Pitt

Selectman Paight deferred to Ellen Smith, Town Administrator, to speak to the article.

Town Administrator Smith stated that this was the same funding source that has been brought to the town meeting for the past two years. The first year \$75,000 was asked for a storm water evaluation program of the downtown area (Church/School Street). The town applied for repayment from the CWSRF last year and did not receive the funding as the program wasn't far enough along. Town Administrator Smith stated that it is believed that we are now far enough along to go for a third round of funding which has been increased from \$75,000 to \$100,000 and this program provides for 100% principle forgiveness so there is no affect to the tax rate.

Moderator Briggs read Article 10 and moved to a YES/NO Ballot vote and instructed the voters to cast Question B and to circle either YES or NO and proceed to the ballot box for the casting of their vote. He explained that as this article was not more than \$100,000 we did not have to hold the vote open for 1 hour and that the votes would be counted immediately.

The Moderator asked if there were any other voters who wished to vote on Article 10. Finding no further voters wishing to vote Moderator Briggs closed the ballot box @ 7:55pm and counting ensued.

Moderator Briggs moved on to Article 11 while the ballots for Article 10 were counted.

### **Article 11: Monadnock Family Services**

To see if the Town will vote to raise and appropriate the sum of Two Thousand Six Hundred Twenty Dollars (\$2,620) for the purpose of funding Monadnock Family

### Services. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Gina Paight Seconded: Jane Pitt

Selectman Paight spoke to the article.

Selectman Paight explained that Monadnock Family Services requests a certain amount each year to help cover the cost for Marlborough residents who use their services. The outstanding collectable for Marlborough residents according to an annual MFS report is \$14,200. Their request of \$2,620 is based on an amount of \$1.25/resident per the Census.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 11 and moved Article 11 to a voice vote.

Article 11 Passed on a voice vote in the affirmative.

### **Article 12: Southwestern Community Services**

To see if the Town will vote to raise and appropriate the sum of Four Thousand Six Hundred Twenty One Dollars (\$4,621) for the purpose of funding Southwestern Community Services. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Earl Nelson Seconded: Jane Pitt

Selectman Nelson spoke to the article.

Selectman Nelson explained that this was a similar request to that of MFS. There were 564 units of support given to Marlborough residents totaling \$462,187 in direct assistance.

Southwestern Community Services is requesting \$4,621 (1% of the direct assistance amount).

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 12 and moved Article 12 to a voice vote.

Article 12 Passed on a voice vote in the affirmative.

### **Article 13: The Community Kitchen**

To see if the Town will vote to raise and appropriate the sum of Two Thousand Five Hundred Dollars (\$2,500) for the purpose of funding The Community Kitchen in the spirit of continuous memory of Delores Biron. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Jane Pitt Seconded: Gina Paight

Selectman Pitt spoke to the article.

Selectman Pitt explained that that the Community Kitchen provides meals for Marlborough residents. They provided \$12,000 in meals to our residents this year.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 13 and moved Article 13 to a voice vote.

Article 13 Passed on a voice vote in the affirmative.

Returning to Article 10: Moderator Briggs announced the results of the votes on Article 10.

There were 62 YES/NO ballots cast. 1 ballot spoiled YES: 54 NO: 07. Article 10 passed.

### <u>Article 14: Home Healthcare Hospice & Community Services</u>

To see if the Town will vote to raise and appropriate the sum of Five Thousand Dollars (\$5,000) for the purpose of funding Home Healthcare Hospice & Community Services said funds to be designated to Age in Motion and Friendly Meals for Marlborough residents with the remainder for use at the discretion of Home Healthcare Hospice & Community Services for Marlborough residents. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Jane Pitt Seconded: Earl Nelson

Selectman Pitt spoke to the article.

Selectman Pitt explained that HHH&CS provides visiting nurses, physical & occupational therapy, etc. In the town of Marlborough there were over 900 nursing visits, 450 physical therapy visits, 200 occupational visits, 4400 meals on wheels, over 100 chronic care visits, etc. in 2022.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 14 and moved Article 14 to a voice vote.

Article 14 passed on a voice vote in the affirmative.

### **Article 15: Readopt Optional Veterans Tax Credit**

Shall the Town readopt the Optional Veterans Tax Credit in accordance with RSA 72:28, II, for an annual tax credit on residential property of Five Hundred Dollars (\$500). Recommended by the Board of Selectmen. (Majority vote required)

Moved: Jane Pitt Seconded: Earl Nelson

Selectman Pitt spoke to the article.

Selectman Pitt Explained that there was a legislative change to increase the pool of servicemen/women eligible for this credit and that due to the legislative change we need to "readopt" the tax credit we currently have in place.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 15 and moved Article 15 to a voice vote.

Article 15 passed on a voice vote in the affirmative.

### **Article 16: Establish or Amend Fees**

To see if the Town will vote to authorize the Board of Selectmen to establish or amend fees, as provided in NH RSA 41:9-a. Such a vote shall continue in effect until rescinded. Recommended by the Board of Selectmen. (Majority vote required)

Moved: Earl Nelson Seconded: Jane Pitt

Selectman Nelson spoke to the article.

Selectman Nelson explained that this was basically a housekeeping issue. The town imposes fees for various situations from time to time and it wasn't found where there was an actual vote for this in the past so it is being brought forward to vote so that there is record of it on file.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 16 and moved Article 16 to a voice vote.

Article 16 passed on a voice vote in the affirmative.

### **Article 17: To Hear Reports**

To hear reports of Town Agents, Auditors, and Committees.

Moved: Gina Paight Seconded: Earl Nelson

Selectman Paight spoke to the article. She moved to accept all reports as printed in the Town's 2022 Town Report. Motion seconded by Earl Nelson.

Moderator Briggs asked if there were any questions from the floor. Finding no further questions, Moderator Briggs read Article 17 and moved Article 17 to a voice vote.

Article 17 passed on a voice vote in the affirmative.

### **Article 18: To Transact Other Business**

To transact any other business that may legally come before this meeting or take any action thereon.

@ 8:12 pm Moderator Briggs asked if there was anyone who had any other business to discuss.

With no answers he announced that there was about 9 min left in the voting for Article 02.

The Moderator asked if there were any other voters who wished to vote on Article 02. Finding no further voters wishing to vote, Moderator Briggs closed the ballot box for Article 02 @ 8:21pm and counting ensued.

Moderator Briggs announced the results of the votes on Article 02. There were 65 YES/NO ballots cast. YES: 61 NO: 04. Article 02 passed.

Moderator Briggs took a moment to Recognize Bob Leahy – Supervisor of the Checklist and Sue Bemis – School District Clerk and thanked them for their years of service to the town as they will no longer serve in that capacity.

### Returning to Article 18:

To transact any other business that may legally come before this meeting or take any action thereon.

Moved: Earl Nelson Seconded: Jane Pitt

Motion to adjourn the business portion passed on a voice vote in the affirmative.

Meeting Adjourned @ 8:28pm

At 9:00 PM Moderator Briggs asked if there were any voters who wished to cast their ballots. Finding none, the Moderator declared that the polls for the Town of Marlborough were closed. The counting of the ballots ensued.

### The result of the votes:

### **Selectman for Three Years; Vote for One:**

### MARLBOROUGH SCHOOL DISTRICT 2024-2025 WARRANT/BUDGET AND 2023-2024 SCHOOL REPORTS

### DISTRICT REPORT

### **General Overview**

We are pleased to share this annual report with you from the Marlborough School. We are in full swing at school: wrapping up a successful Winter sports season, evaluating mid-year progress benchmarks, collaborating to provide responsive student interventions, and preparing to demonstrate proficiency with upcoming state assessments. Our shift to competency-based assessment has led to many new perspectives on learning and continuous improvement.

The Marlborough School is committed to providing well-rounded opportunities that motivate students to learn and grow as individuals. Students who feel connected and discover their interests and passions have improved outcomes in all areas of their life. We are thankful to have the support of many families and community members who have joined our PTO, supported other committees, and assisted with and/or attended school events. Already this year we have had the support of organizations and families for Kindergarten Ice Cream Social, Turkey Trot, fundraising, basketball team concessions, student council Fall Fest, and middle school dances.

We have contracted with NHDI (New Hampshire Dance Institute) to provide two different programs which give students the opportunity to experience dance along with theatrical and live music components during their school day. Our residency performance was held January 12. It is always a wonderful display of dance and perseverance as our students and staff share what they have learned throughout the residency. Fourth, fifth, and sixth graders

participating in the year-long program will perform with twelve other schools on stage at Keene State College in May. It is a magical opportunity. A small group of those dancers were selected to dance on special teams, which also practice Saturday mornings at our school. They practice and perform with a team of dancers from across the Monadnock Region.

The Marlborough Dukes Athletics offered this year were Cross Country and Basketball, we are holding Spring signups for Track and Baseball/Softball. Our boys and girls teams will compete in playoffs, with home court advantage. The boys' team won the King of the Court Tournament at KHS, and The Girls' team was runner-up. We are thankful to our coaching teams Jay Lepple and Kyle Bauer, and Leah Felegara and Jeff Castor.

Chorus, instrument lessons, and ensembles have been happening in our music department. We are planning an evening event to showcase a variety of our creative endeavors this Spring. We are excited to get the music program built back up to offer additional performances.

Robotics Club and Drama Club have been offered to students in grades 5-8, and we are working to expand special interest club options. The Robotics Team earned a spot at the State Tournament earlier this year, and performed well.

Throughout the school year, our staff is putting together occasional enrichment blocks to offer varied and novel experiences to all students. Please reach out to us if you have a particular skill or interest you'd like to share with our students.

We look forward to sharing updates with the community in the months to come. Feel free to follow us on Facebook.

### Mission Statement of the Marlborough School

Our mission is to provide opportunities that motivate children to learn and grow in an environment characterized by mutual respect. We will inspire our students to strive for:

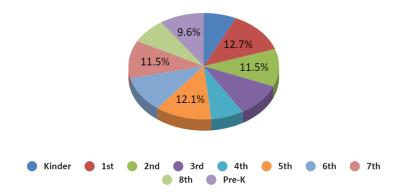

- Academic excellence
- Lifelong learning
- Maximum personal achievement
- Social responsibility

To this end, we will seek the involvement of the people of Marlborough.

### **Enrollment**

Here's a look at the percentage breakdown by grade using the October 10, 2023 enrollment:

### **Enrollment Percentage by Grade**

Finally, a look at the October 1<sup>st</sup> enrollment trend from 2011-2023:

### **October 1st Enrollment Trends**

### Facility/Maintenance

The Marlborough School facility includes a beautiful building that always impresses visitors. We are fortunate to have such a wonderful space in which to work, learn, and play each day. Our full-time building and grounds supervisor, Fred Blair, ensures that preventative maintenance procedures are carried out on a scheduled basis. There are anticipated projects upcoming to update the controls of the heating system, allowing for more effective monitoring and control of the system for peak efficiency. Additional security and grounds improvement are expected this summer.

### **Community Support/Service/Volunteers**

### **Marlborough PTO**

Marlborough School has an active PTO whose members seek creative ways to support our students and staff. Each year they conduct several fundraising events to support annual activities which have become important Marlborough traditions, including Kindergarten Ice Cream Social, Turkey Trot, and Field Day.

This year they are planning for some new experiences, including a family dance in May. The PTO meets once per month and welcomes all available parents and community members to attend. They have many opportunities to plan and support fundraising efforts, but are also exploring new ideas for student experiences all of the time. In the coming months they are working on plans for some school assembly options, field day entertainment options, and welcome back activities for the Fall. They would love to hear your ideas for other opportunities as well. They have an active Facebook page with updates and reminders.

### **Community Organizations**

The Marlborough Fire Department partnered with teachers to provide Fire Safety experience this fall. Students explored equipment, learned about safety at home in the event of a fire, and received some swag with safety reminders. The Lion's Club has completed vision screening on some of our youngest students, and has assisted with acquiring glasses for students. The Cheshire Smiles Program has once again come in to provide dental screenings and cleanings for many a great number of Marlborough students. Marlborough parent, Amanda Washburn, provides phenomenal service to our students each time she visits. In the Fall, Dartmouth Hitchcock Pediatrics offered an on-site flu shot clinic to students and staff. The Kids Cupboard is supporting many Marlborough Families experiencing varied levels of food insecurity. They also provided Thanksgiving boxes to families. Feeding Tiny Tummies has supplied vacation food boxes to a number of Marlborough students this year. The Keene Elm City Rotary and Kids Demar are once again providing free sneakers to every second grader through their campaign to encourage students to 'Move Every Day.'

We have been so impressed with the efforts of the Marlborough Recreation Department to keep healthy youth sport programs available. The soccer season was a huge hit, and basketball was well attended also. Many parents have stepped up to coach. As always, they depend on parent and community volunteers. Thanks to Alissa Delaney and Leeanne Coutts for the excellent coordination.

### Volunteers

We are proud to continue the connection with the Foster Grandparent program. Our elementary first grade and kindergarten have appreciated that support from our volunteers.

### **Community Service**

The Marlborough staff looks forward to volunteering with the community dinners that have started back up at the Marlborough Community House. We are hopeful to arrange some opportunities for our students to connect through service as well this Spring and Summer.

### Faculty/Staff

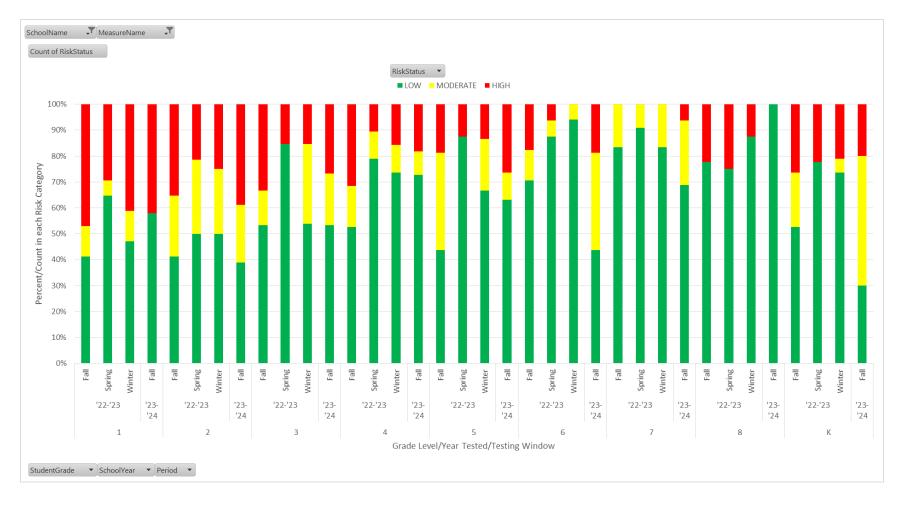

Marlborough School continues to serve students in grades Pre K-8. Our faculty is amazing and talented in so many ways. We have expanded our preschool offering to have both morning and afternoon sessions. This has allowed us to serve additional students, and to accept tuition students from other SAU 29 town schools. We have added some new faces this year to our Middle School, to our Unified Arts team, and to our team of paraprofessionals. We are fortunate for all the strengths and perspectives they bring to us.

### **Academics**

### Co-Curricular

### **Student Government**

Our Middle School Student Council has been working hard with their advisor, Mr. Patrick Underhill, to bring fun activities to Marlborough School. They have hosted dances, spirit weeks, and carnation sales. They have many more ideas for the coming months.

### **Robotics**

The Robotics team is in their second competition season, currently working on the SeaPerch underwater challenge. They will build underwater ROVs (Remotely Operated Vehicles).

They hope to bring their creations to the annual competition at UNH this Spring.

The Lego Robotics team competed at the regional tournament in the Fall, and earned a spot at the state tournament. They have continued to work through a grant from the state of NH to develop their knowledge of robotics, and put that knowledge into action.

### **Drama Club**

Drama Club is preparing for a performance of "Clue" on stage. They are sure to impress with their comical rendition. Ms. Taylor Boone Boule and Mr. Patrick Underhill will continue to lead these students as they develop their flair for the dramatics, as well as their interest in performance and technical production.

### After School

We were fortunate to be able to offer the after school program for students this year. Our leaders have been wonderful, offering a variety of active and creative options in a structured setting. We look forward to continued programming and expanded opportunities.

### **Special Recognitions**

Marlborough School is proud to announce that four of our teachers have been nominated for the NH Teacher of the Year Program. Kristine Dow, Rachel Hoglund, Christopher Clauss, and Patrick Underhill have been recognized for their dedication to their students and to the profession. We are proud to support them.

### **Strategic Plan Update**

In May of 2023, all seven member districts began a process to establish a comprehensive five-year strategic plan. This important work will help guide all of our schools and improve outcomes for students in all grade levels. The process has and will continue to collect input from our communities with the end products being a reflection of what our communities want to see with our public schools and will include the following:

- A comprehensive 5-year strategic plan that addresses the following areas of focus (Core Values, Portrait of a Graduate, Mission, Academics, DEI, SEL, School Safety and Professional Development).
- 2. A documented set of core values.
- 3. A documented vision of a graduate.
- 4. A detailed implementation plan that outlines the specific actions that will be taken to achieve the goals and objectives outlined in the strategic plan.
- A set of metrics and measures that will be used to track progress towards achieving the goals and objectives outlined in the strategic plan.
- 6. A presentation of the strategic plan to the NH School Administrative Unit 29 and its member districts.
- 7. A communication plan that promotes transparency.

### **Timeline**

The timeline for this work is well underway. As you will see below, we are nearing the conclusion of Activities 5 and 6 and will be transitioning to Activities 7 and 8.

Updates and progress are reported monthly in the Superintendent's Report that can be viewed on the district's website under the school board tab.

### Competency-Based Education Update

Competency-based education is an approach to designing academic programs with a focus on competencies (knowledge, skills and abilities) rather than time spent in a classroom. It is a method or approach that focuses on students' mastery and demonstration of a subject based on specific and intentional learning outcomes that are frequently linked to real-world applications and can be measured and applied in practice. Students acquire and demonstrate their knowledge and skills by engaging in learning exercises, activities and experiences that align with clearly defined programmatic outcomes

Over the better part of two years, all K-8 schools across the SAU have engaged in collaborative conversations and work sessions to to define subject area competencies and the

learning outcomes (performance indicators). The conversations have led to stronger curricular alignment across each grade level. There is now a common grading system and report card for each of our schools. The approach to learning has shifted conversations with students and parents from "what they failed or didn't complete (task related)" to "what are the areas of strength and concern and how subproficient areas can be strengthened."

Our educators need to be commended for their efforts to put this approach into practice. Their tireless efforts will align teaching and learning for the betterment of each student in the SAU. We look forward to the future and our continued upward trajectory of providing a rich, meaningful educational experience to our youth.

### **Innovation Institute**

The Innovation Institute 2023, held on November 7th, is a significant highlight in our school district's annual report, symbolizing our commitment to fostering a culture of continuous learning and innovation. This event, which has grown remarkably in scope and participation, received overwhelmingly positive feedback from the 467 staff members who attended. The engagement level this year was extraordinary, reflecting an increased dedication to professional development across the district.

Notably, there has been a remarkable increase in the number of presenters at the Institute, a clear indicator of the growing interest in collaborative learning and knowledge sharing among our educators and staff. From 35 presenters in 2022, we witnessed a substantial jump to 70 in 2023. This escalation is not just a numerical achievement but a testament to the

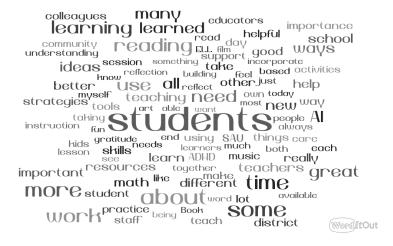

diversifying expertise and experiences within our district. What's more, the enthusiasm continues to build, with over 100 staff members already expressing their interest in presenting for the upcoming 2024 session. This proactive participation highlights a dynamic shift towards a more engaged and empowered educational community.

The range of topics covered in this year's Institute was as diverse as it was comprehensive, catering to a wide array of interests and professional development needs. The list of offerings from this year's event showcases the multifaceted nature of our educational approach, emphasizing our commitment to addressing the various aspects of teaching and learning. From innovative teaching methods to the latest in educational technology, the presentations provided valuable insights and practical applications that our staff can incorporate into their classrooms and professional practices.

The feedback received from the participants of the "Innovation Institute 2023" has been particularly insightful. The words most frequently used to describe the event are indicative of a positive and growth-oriented mindset among our staff. These reflections serve not only as a measure of the event's success but also as a valuable tool for planning future initiatives. They help us understand the evolving needs of our educators and enable us to tailor our professional development programs accordingly.

As we look forward to the next "Innovation Institute," the momentum gained from this year's success sets a high bar. The anticipation for the 2024 event is a clear indicator of the integral role the Institute plays in our professional development calendar. It is a platform that not only enhances the professional skills of our staff but also fosters a sense of community and shared purpose within our district.

In conclusion, the "Innovation Institute" is a shining example of our district's dedication to excellence in education. It underscores our belief that investing in the professional growth of our staff is essential to providing high-quality education. By nurturing an environment where learning, innovation, and collaboration are celebrated, we not only enhance the professional capabilities of our educators but also significantly enrich the educational experiences of our students. This event is a crucial component of our mission to cultivate an educational environment where students and staff alike can thrive and achieve their fullest potential.

Thank you,

Valerie Carey Principal, The Marlborough School

Jeffrey Miller, Chair

Robert H. Malay, Superintendent of Schools

### **COMPLIANCE STATEMENT**

The Marlborough School District does not discriminate in its educational programs, activities or employment practices on the basis of race, color, national origin, sex, sexual orientation, gender identity, disability, or age, and provides equal access to the Boy Scouts and other designated youth groups.

The following person has been designated to handle inquiries regarding non-discrimination policies: Nancy Deutsch, Title IX Coordinator for School Administrative Unit 29, and Director of Human Resources, 193 Maple Avenue, Keene, New Hampshire 03431, telephone number (603) 357-9002 ext. 213.

Complaints regarding compliance with Rehabilitation Act of 1973 - Section 504 should be submitted in writing to Kate Adams, Director of Student Services, 193 Maple Avenue, Keene, New Hampshire 03431, telephone number (603) 357-9001 ext. 230.

For further information on notice of non-discrimination, visit http://wdcrobcolp01.ed.gov/CFAPPS/OCR/contactus.cfm for the address and phone number of the office that serves your area, or call 1-800-421-3481.

## STATE OF NEW HAMPSHIRE

## SCHOOL WARRANT

To the inhabitants of the school district in the Town of Marlborough qualified to vote in District affairs: You are hereby notified to meet at the Marlborough Elementary School Gymnasium in said District on the 12th day of March, 2024, at 1:00 pm in the afternoon to bring in your votes for the election of school district officers. The polls will open not later than 1:00 pm, nor close earlier than 9:00 pm.

ARTICLE 1: To choose all necessary school district officers:

Two School Board Members for three-year terms Clerk for one-year term Given under our hands at said Marlborough, this Arday of January, 2024

A True Copy Attest:

### New Hampshire Department of

### WARRANT 2024

Revenue Administration

Reports
7 F
Article (

To hear the reports of agents, auditors, committees, or officers chosen, and to pass any vote relating thereto.

### Operating Budget Article 02

To see if the district will vote to raise and appropriate the amount of \$6,245,466 for the support of schools, for the payment of salaries for the school district officials and agents, and for the payment for the statutory obligations of the district. This article does not include appropriations contained in special or individual articles addressed separately. (Majority vote required)

### **Fund Balance Retention** Article 03

unassigned general funds in an amount not to exceed, in any fiscal year, 5 percent of the current fiscal year's net assessment, in accordance with RSA 198:4-b, II. (Majority vote required) To see if the school district will vote to authorize, indefinitely until rescinded, to retain year-end

## Collective Bargaining Agreement Article 04

To see if the school district will vote to approve the cost items included in the collective bargaining agreement reached between the Marlborough School Board and the Marlborough Education Association which calls for the following increases in salaries and benefits at the current staffing level:

\$67,807	2027-28	\$67,061	2026-27
Estimated Increase	Fiscal Year	Estimated Increase	Fiscal Year
\$68,650	2025-26	\$139,437	2024-25
Estimated Increase	Fiscal Year	Estimated Increase	Fiscal Year

Page 67 of 78

Φ

and further to raise and appropriate \$139,437 for the current fiscal year, such sum representing the additional costs attributable to the increase in salaries and benefits required by the new agreement over those that would be paid at current staffing levels. The Board recommends this Article. (Majority vote required)

## Special Meeting for Collective Bargaining Agreemen Article 05

Shall the school district, if Warrant Article 04 is defeated, authorize the governing body to call one special meeting, at its option, to address Warrant Article 04 cost items only? (Majority vote) Shall the school district, if Warrant Article 04 is defeated,

## Withdrawal from Capital Reserve Article 06

To see if the school district will vote to raise and appropriate the sum of \$36,000 for the purpose of major renovation / reconstruction of the school buildings and grounds and related costs and authorize the withdrawal of up to \$36,000 from the Capitol Reserve Fund created for that purpose. This article is recommended by the Board. (Majority vote required)

### Other Business Article 07

To transact any other business that may legally come before the meeting
